Manage & Cite Your Citations
Today’s Plan

• Utilize tools to manage your references.
• Utilize tools to create a bibliography and in-text citations.
What is citation management software*?

• Software which allows you to organize and manage your bibliographic citations (references).

• It can help you...
  • Create a bibliography based on dozens (or even hundreds) of citation styles,
  • Write in-text citations quickly,
  • Organize PDFs of articles,
  • Make notes on PDFs,
  • Connect with other researchers,
  • Etc.

*May also be referred to as reference or bibliographic management software.
